Cycle & Cruise

AUSTRALIA & NEW ZEALAND

A fantastic opportunity to cycle some of the best Rail Trails in New Zealand! On this cruise in each port of call we will be met by our coach and will transfer to a fantastic Bike Track, many of which are the best Rail Trails in New Zealand. Each day you are provided with a bike and have an option of a shorter section or a longer section of the days ride. Most of the rides are on Rail Trails so are relatively flat as the trains were not able to climb steep hills. All of the rides have the spectacular scenery of Australia and New Zealand on show. An easier section might be approximately 30km, which would take three to four hours of easy riding. A harder ride might be 50 to 60km, which would take approximately five hours. Each day we will have a meeting point for lunch where the group will meet together and be able to get something for lunch before continuing on to the end of the ride where we are met by our bus and taken back to the ship. The rides will be looked after by a tour manager who is contactable by phone and will come and pick you up if you need it.
